

Declaration of Conformity and Non-Use

Date: 2026-06-04

Covered SKU / Part Number: P-CS-BS-003 - Chassis Suspension Arm Bushing Sleeve

SHIH-TEH Industrial Co., Ltd., as the manufacturer, hereby declares under its sole responsibility that the product specified above, intended for use in the automotive industry and for export to the European Union, conforms to the requirements of the following European Union Directives and Regulations.

This declaration is issued to support the Digital Product Passport (DPP) requirements and attests to the compliance of our manufacturing processes and the final product.

1. EU End-of-Life Vehicles (ELV) Directive (2000/53/EC)

The product fully complies with the EU ELV Directive and its subsequent amendments. Specifically, the materials used in the manufacture of the above-mentioned part do not contain the following restricted substances above the maximum concentration values tolerated by weight in homogeneous materials:

- **Lead (Pb):** < 0.1%
- **Mercury (Hg):** < 0.1%
- **Cadmium (Cd):** < 0.01%
- **Hexavalent Chromium (Cr6+):** < 0.1%

2. REACH Regulation (EC) No 1907/2006

The product and its constituent materials comply with the Regulation (EC) No 1907/2006 concerning the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH). We declare that the product does not contain any Substances of Very High Concern (SVHC) included in the current Candidate List published by the European Chemicals Agency (ECHA) in a concentration above 0.1% weight by weight (w/w).

3. RoHS Directive (2011/65/EU & (EU) 2015/863)

The product complies with the substance restrictions of the Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (RoHS). Although this product is a mechanical component, we certify that the homogeneous materials within it do not contain any of the restricted substances listed in Annex II of the directive above the specified concentration limits.

6.1 Repair & Teardown Guidelines

Circuit Diagrams & Mainboard Layout: NOT APPLICABLE. This product is a pure mechanical metal fastener and does not contain any electronic components.

9.3 Hazardous Chemicals (PFAS)

Declaration of exact locations of hazardous materials: **None / Not Applicable**

This product has been tested and is confirmed to be 100% free of any Per- and Polyfluoroalkyl Substances (PFAS) and REACH Substances of Very High Concern (SVHC). The product is composed of a pure steel alloy with no hazardous chemical residues. Supported by third-party laboratory test report (Ref: SGS-TW-2024-85708).

This declaration is based on our current knowledge and information provided by our material suppliers. SHIH-TEH Industrial Co., Ltd. has established a due diligence process to ensure ongoing compliance with all applicable regulations.

Sincerely,

Tzuhan Lin Chief Compliance Officer SHIH-TEH Industrial Co., Ltd.
