Declaration of Conformity and Non-Use

Date: 2026-06-04

Covered SKU / Part Number: P-M10-BN-002 - Electric Vehicle Battery Module Securing Nut M10

SHIH-TEH Industrial Co., Ltd. hereby declares that the product specified above, manufactured by our company, is in full compliance with the European Union directives and regulations listed below. This declaration is provided as supporting evidence for the Digital Product Passport (DPP) review.

1. EU End-of-Life Vehicles (ELV) Directive (2000/53/EC) The product fully complies with the EU ELV Directive and its subsequent amendments. Specifically, the materials used in the manufacture of this product do not contain the following restricted substances above the maximum concentration values:

- Lead (Pb): < 0.1% by weight
- Mercury (Hg): < 0.1% by weight
- Cadmium (Cd): < 0.01% by weight
- Hexavalent Chromium (Cr6+): < 0.1% by weight

2. REACH Regulation (EC) No 1907/2006 The product does not contain any substances listed on the current Candidate List of Substances of Very High Concern (SVHC) in a concentration above 0.1% by weight, as published by the European Chemicals Agency (ECHA).

3. RoHS Directive (2011/65/EU & (EU) 2015/863) The product complies with the Restriction of Hazardous Substances (RoHS) Directive. Although this product is a mechanical component, we confirm it does not contain the restricted substances (including Lead, Mercury, Cadmium, Hexavalent Chromium, PBBs, PBDEs, DEHP, BBP, DBP, DIBP) above the specified thresholds.

6.1 Repair & Teardown Guidelines

Circuit Diagrams & Mainboard Layout: NOT APPLICABLE. This product is a pure mechanical metal fastener and does not contain any electronic components.

9.3 Hazardous Chemicals (PFAS)

Declaration of exact locations of hazardous materials: **None / Not Applicable**

This product has been tested and is confirmed to be 100% free of any Per- and Polyfluoroalkyl Substances (PFAS) or REACH SVHCs. The product is composed of a pure steel alloy with no residual hazardous chemicals. This statement is supported by a third-party laboratory test report (Ref: SGS-TW-2024-64848).

This declaration is issued under the sole responsibility of the manufacturer. We certify that all information provided in this document is true, accurate, and complete based on our current knowledge and supply chain information.

Sincerely,

Tzuhan Lin Chief Compliance Officer SHIH-TEH Industrial Co., Ltd. (世德工業)
