

Declaration of Conformity and Non-Use

SHIH-TEH Industrial Co., Ltd. (世德工業) No. 43, Jianuo Rd., Gangshan Dist., Kaohsiung City, Taiwan
compliance@shih-teh.com.tw +886-7-621-6101

Date: 2026-06-04

Subject: Declaration of Conformity and Non-Use for Digital Product Passport (DPP)

Covered SKU / Part Number: P-M12-EH-001 - 高強度引擎汽缸頭螺栓 M12 (High-Tensile M12 Engine Cylinder Head Bolt)

SHIH-TEH Industrial Co., Ltd. hereby declares, under its sole responsibility, that the product specified above, designed and manufactured for the automotive industry, is in full conformity with the relevant European Union directives and regulations listed below.

This declaration is issued to support regulatory review and serves as a key component of the Digital Product Passport (DPP) for the aforementioned product.

1. EU End-of-Life Vehicles (ELV) Directive (2000/53/EC) We certify that the product P-M12-EH-001 is fully compliant with the EU ELV Directive. It does not contain the following restricted substances above the maximum concentration values specified in Annex II of the directive:

- Lead (Pb): < 0.1% by weight
- Mercury (Hg): < 0.1% by weight
- Cadmium (Cd): < 0.01% by weight
- Hexavalent Chromium (Cr VI): < 0.1% by weight

2. REACH Regulation (EC) No 1907/2006 We declare that the product P-M12-EH-001 does not contain any Substances of Very High Concern (SVHC) as listed on the current Candidate List published by the European Chemicals Agency (ECHA) in a concentration above the 0.1% (w/w) threshold. SHIH-TEH Industrial Co., Ltd. continuously monitors the SVHC Candidate List for any updates.

3. RoHS Directive (2011/65/EU & (EU) 2015/863) Although this product is a mechanical component and may not fall directly within the scope of the RoHS Directive, we declare that it conforms to the substance restrictions stipulated therein. The materials used in its manufacture do not intentionally contain the restricted substances above their respective maximum concentration values.

6.1 Repair & Teardown Guidelines

Circuit Diagrams & Mainboard Layout: NOT APPLICABLE. This product is a pure mechanical metal fastener and does not contain any electronic components.

9.3 Hazardous Chemicals (PFAS)

Declaration of exact locations of hazardous materials: **None / Not Applicable**

This product has been verified to be 100% free of any Per- and Polyfluoroalkyl Substances (PFAS) and REACH Substances of Very High Concern (SVHC). The product is composed of pure steel alloy with no hazardous chemical residues. Supported by third-party laboratory test report (Ref: SGS-TW-2024-35819).

SHIH-TEH Industrial Co., Ltd. confirms that all information provided in this declaration is accurate and true to the best of our knowledge. We commit to maintaining the compliance of our products and will provide updated documentation should the regulatory status or product composition change.

Sincerely,

Tzuhan Lin Chief Compliance Officer SHIH-TEH Industrial Co., Ltd.
